PRINCIPAL'S MESSAGE

Tena koutou katoa,

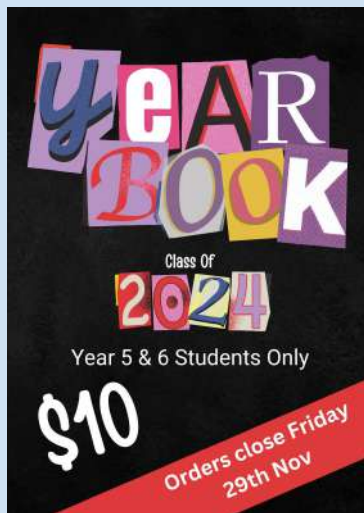

As the school year races towards its end, it's remarkable how quickly the weeks have flown by. With the focus now on end-of-year assessments and reporting, it has been incredibly rewarding to witness the progress our students have made throughout the year. Seeing so many of them take pride in their achievements and truly own their learning journey has been awesome to see. These improvements would not have been possible without the support of our teachers and teacher aides. Their mahi and encouragement is really appreciated. Thank you to everyone who has completed the Board Community Feedback form. Your voice is valued. If you haven't yet had a chance to complete this short survey, it would be greatly appreciated. Details are listed below.

Regards Simon Williams
