Week 6

22nd Nov 2024

PRINCIPAL'S MESSAGE

Tena koutou katoa,

We were very proud of the group that represented Pukekohe Hill at the Franklin Zone Athletics yesterday, we had 21 students qualify! We have some amazing athletes who finished in the top three of their age group within the whole of the Franklin area. The details of these are listed below.

All Year 3-6 students are busy preparing for our "Journey through the Arts" day next week. This is our opportunity to display and perform what they have been producing as part of both our electives programme and this term's arts focus. Everyone is welcome to attend this performance next Thursday.

Regards Simon Williams

There will be an area set up outside the hall for parents who wish to wait during the disco.

Journey through The Arts Performance and Art Trail

Pohutukawa (Years 0-2)

We are thrilled to invite you to a special 'Journey Through the Arts!' showcase on Thursday 28th November. Join us at the outdoor stage from 9:30am until 9:45am for a selection of songs performed by the Pōhutukawa team. Then step into the world of Māori myths and legends as you explore the stunning art on display in our Year 1 Pōhutukawa classrooms. Our tamariki have drawn inspiration from these rich and vibrant stories, bringing them to life through their creativity and imagination. Come and enjoy the hard work and artistic achievements of the Year 2 tamariki as you wander through vibrant classrooms filled with masterpieces created in response to our 'Journeys' Concept. The Kapa Haka group will also be performing on the outdoor stage from 10:15am.

Kauri and Totara (Years 3-6)

As part of our Concept this term, the Kauri and Totara students will be presenting a 'Journey Through the Arts'. They will be celebrating and presenting their learning through Kapa Haka, Dance, Performing Arts, Drama, Music, Singing and Visual Arts. From 10am you will be able to see the Visual Art displays in Room 30 and the staffroom. Then at 10:15 performances will start on the outside stage. After morning tea at approximately 11:15 the remainder of the Y3-6 students will present their learning in the hall,

Mitey News

This is how we feel if we have lost something like a toy: sad, worried, angry

We made a freeze frame of these feelings. A freeze frame is a moment in time. These photos show the exact moment that we lost a toy.

Flick to the next photo to see our feelings when we found our toy.

PIC-COLLAG

Mitey Learning: Feeling Lost.

Next we created a freeze frame of the exact moment we found the toy again.

Can you see these feelings: happy, excited, relieved!
