Mr Williams' Message

Kia ora koutou e te whānau,
Nau mai, haere mai, Welcome back to school for 2026.

It has been awesome to see everyone back at kura and the smiles on our tamariki faces as they reconnected with friends and teachers. The sense of energy and whanaungatanga around the school has been a great way to begin the year.

A special welcome to all our new students and whānau joining Pukekohe Hill School for the first time. We hope you feel a strong sense of belonging and that your time with us is both enjoyable and rewarding.

We are also excited to welcome four new members of staff to our team this year. A warm Pukekohe Hill welcome to:

- Mrs Nikki White – Year 3 & 4
- Mrs Lisa Goldsack – Maths Support
- Mrs Jocelyn Brodie – Literacy Support
- Mrs Tracy Jamieson – Learning Assistant

We are delighted to have you join our kura and look forward to the contributions you will make to our learners and the wider school community.

As you would have seen, there is a significant amount of infrastructure work currently underway along Ward Street. This work has required access to Ward Street to be limited in sections, and we have been advised that these restrictions are likely to remain in place for several months.

Finally, Thank you to our whānau for helping make the start of the year run so smoothly. Your organisation, with stationery and equipment, has really supported our tamariki to settle quickly into learning. We appreciate your ongoing support.

2026 School Stationery

It's not too late to order your students' stationery online! Link below. Having the correct stationery ready at the beginning of the year, helps to set students up for success!

2026 Camp - Donation is now on Kindo for Year 5 and 6 students, camp flyer below!

This year we are requesting a \$100 donation towards the cost. Camp is such a valuable experience for our senior students, and we really appreciate your support to help make this experience possible for them.

You are welcome to pay this off over the coming weeks, you can select the payment on kindo, and edit the amount to what you wish to pay today, then click add to cart. It will then just add the amount you have chosen to your cart, you can continue to do this until the full donation has been covered. All contributions are greatly appreciated!

is about bringing our community
together, making connections, and

Together.

2 DESIGNER GRASS HEAD

Whether you make a person, monster, or animal, grass heads are great fun to grow!

- You will need:
- Grass seed
 - Potting mix
 - Old nylon stocking
 - Jars, upcycled container or other items to serve as a reservoir for their bodies
 - Upcycled or natural materials for decorating

Idea: Create Your Grass Head

Plant seeds 3 WEEKS before the Growers Festival for best results.

1. Put 2 tablespoons of grass seed in the toe of a stocking.
2. Fill with Soil
3. Add soil to make a tennis ball-sized head. Keep seeds near the top.
4. Tie & Set Up
5. Tie a knot under the soil ball. Place the stocking in an upcycled container with the tail in water — it will soak up moisture.
6. Decorate
7. Add a face using natural or recycled materials.
8. Grow & Trim
9. Keep soil moist. Watch the "hair" grow and give it a haircut when needed!

You can use your own grass seed or request some from school. A google form will be sent out term 4.

Judges will be looking for:
