Mr Williams' Message

Kia ora koutou e te whānau,

A huge thank you to everyone who came along to our Growers Festival. It was fantastic to see so many of our school whānau at this event and excited to see all the classroom activities and projects on display during the evening. The Growers Festival is a special part of our school year. It is a time to strengthen our connections as a community and to celebrate the rich market garden heritage that shapes our local identity here in Franklin.

We are incredibly grateful for the generosity, time and support our community gives to make this event such a success. The generosity of our local growers was outstanding. Our vege stall was overflowing with beautiful produce, all generously donated to the school – a true reflection of the spirit of our community. A special thank you also to Bakers Delight Pukekohe for donating all the bread for the PTA sausage sizzle and toasted sandwich stall. Your support helped make the evening both successful and delicious for our whānau. We are so fortunate to be part of such a generous and connected community.

We are all very proud of the incredible creativity shown by our students through their classroom activities and home projects. The quality and variety of what was produced was outstanding. It was great to see our tamariki thinking creatively, taking pride in their work and confidently sharing their ideas. These opportunities help to develop our strategic goal of delivering engaging learning opportunities.
