## Mr Williams' Message

Kia ora koutou e te whānau,

It is awesome to see everyone dressed in pink today as part of Pink Shirt Day. Pink Shirt Day is about reducing bullying by celebrating diversity and recognising that we are all different and special. We have a special culture at Pukekohe Hill School where we value inclusion, manaaki, and making sure everyone feels a sense of belonging. Days like today remind us that small acts of kindness, standing up for others, and celebrating our differences help make our kura a safe and welcoming place for all.

A huge thank you to everyone for getting involved and helping spread such a positive message throughout our school community.

We are very proud of our football teams who competed in the Franklin football tournaments this week. All of our teams showed great determination, teamwork, and sportsmanship throughout the day. A special mention to our Year 6 Boys A team who were outstanding all day and deservedly won their section. What a fantastic achievement. A huge thank you also to all the amazing parents who helped manage teams, transport students, or came along to support. We are incredibly grateful for the time and energy you give to help make these opportunities possible for our tamariki.

Welcome to Zelna Rennie, who has joined our school whānau as a new Learning Assistant. Zelena has amazing experience within the learning support space and is a wonderful addition to our team.

Ngā mihi nui

## Year 6 Intermediate Enrollments

Pukekohe Intermediate enrolments packs have gone home this week! They would love these back as soon as you are able to assist them in their planning for 2027. You can also complete it online <https://www.pukekoheint.school.nz/enrolment-1>

If your Y6 student is enrolling at another school. Please email us and let us know where, [admin@pukekohehill.school.nz](mailto:admin@pukekohehill.school.nz)

## Photo Life - Sibling photos

PhotoLife are coming to take class, individual, and sibling photos on the 21<sup>st</sup> and 22<sup>nd</sup> of May. All students will have class and an individual photo taken, if you would like a sibling photo, you must complete a form. Forms are available in the office.

WE HAVE BEEN LEARNING ABOUT IDENTIFYING FEELINGS AND RELATING TO OTHERS. WE ARE USING AROHA'S WAY TO EXPLORE EMOTIONS AND STRATEGIES.

## ENVIRO NEWS

WHAT TO DO IN MAY

FRUIT TREE CARE

- Gather up fallen fruit and dispose of it in green waste, to reduce the risk of pest and disease problems next season.
- Citrus trees are hungry, hungry plants. Use a good citrus fertiliser to ensure there are plenty of nutrients to support your growing harvest.
- Plant trees now, to give the roots a chance to establish before the tree goes dormant for the winter. Pop some Yates Dynamic Lifter Organic Plant Food in the bottom of the planting hole, to give the tree a gentle boost.

## Year 5/6 Football Tournament

On Thursday 14th May, our students proudly represented our school at the Franklin Primary Schools Soccer Tournament held at Dr John Lightbody Reserve in Tuakau. It was a beautiful sunny day with a crisp autumn bite in the air, and we were excited to take three teams to the competition.

Our Year 6 A Grade Boys had an outstanding tournament, remaining undefeated throughout the day before winning the playoff final 1-0 against Pukekohe East to become Franklin Champions in their grade.

Our Year 6 A Grade Girls team also performed brilliantly, losing only one game out of eight and finishing an impressive 2nd overall.

Our Year 6 B Grade Boys team, made up of a mixture of Year 5 and Year 6 students, worked hard all day and finished 3rd in their section.

All of our players showed excellent sportsmanship, fair play, heart, and determination, and we were incredibly proud of the way they represented our school.

A special thank you goes to all the parents and caregivers who supported the teams by transporting, cheering, and refereeing throughout the day. We would also like to give a special mention to Julia Dwyre, who stepped up to help lead our Year 6 A Boys team to their championship win.

Well done to all of our players on a fantastic day of football!

## Year 3/4 Football Tournament

On Wednesday 13th of May, Mrs Butcher took 3 teams to the Franklin Year 3/4 Soccer Tournament. It was a stunning day to be running around the A & P showgrounds, working together and playing soccer.

The Boys A team played with confidence, showing strong passing, communication, and effort in every game. The team worked hard to support one another and should be proud of their achievement of finishing in 3rd place.

The Boys B team showed great improvement throughout the day, gaining confidence with every game. As the games went on, the players worked well together, communicated more effectively, and showed growing determination on the field, with many students stepping outside their comfort zones and giving new skills a try.

The Girls team earned a well-deserved 2nd place finish. Their enthusiasm and persistence helped them overcome challenges and compete strongly across the day.

## HELPING TAMAKIRI THRIVE WHEN ANXIETY IS A PROBLEM

with Catherine Gallagher

### WORKSHOP SPEAKER

Catherine Gallagher is a clinical psychologist with over 20 years' experience in the public and private sectors. A lot of this time has been spent focused on supporting children, young people and their whānau around a number of issues, including anxiety.

### ABOUT OUR WORKSHOP

While anxiety is a challenge many of our tamariki and whānau face, it doesn't have to define their journey. Understanding how it impacts mana and self-esteem allows us to build stronger, more resilient foundations for the future. By equipping ourselves with knowledge today, we can empower our community and ensure every individual feels seen, supported, and confident.

### THIS WORKSHOP WILL GIVE YOU

- Information to understand the prevalence and impact of anxiety on tamariki and why it might show at home, school and in daily life.
- How to recognise signs early and practical tools on what you can do to help your tamariki feel confident, safe and connected.
- How to support tamariki and work with your school to help prevent anxiety from limiting their opportunities and experiences.
- An opportunity to ask questions about anxiety.

### WHAT YOU WILL LEAVE WITH

Practical strategies you can use at home and in daily life.
